

BW/GS
September 2018

Dear Parent/Carer,

Year 11 Success Evening – Thursday 27th September 2018

I am writing to invite you to an exciting new event at Southam College, on Thursday 27th September. For the first time we are hosting a Year 11 Success Evening, bringing together advice on both academic progress and wellbeing. There will be a range of stalls and presentations on offer and we hope that students and parents will be able to visit a diverse range throughout the evening. These include presentations from department heads of core subjects and larger options subjects, information stalls from a range of options subjects and also stalls focused on careers advice, study skills, healthy living and mindfulness.

The evening runs from 5.00-7.00pm and we invite parents and students to attend for as little or as much as they feel able. I have included with this letter a timetable of events to enable you to plan your visit effectively.

At the end of the evening, we are delighted to welcome Elevate Education who will run a parent-only seminar on how to support students in Year 11. Elevate Education have provided engaging and informative seminars for students at Southam College on many occasions and they will present to the whole of Year 11 this year. This will be an opportunity for parents to gain an insight into the advice that students will receive. As spaces are limited for this seminar, please can I ask that you indicate on your reply slip whether you wish to attend this session. Tickets will be allocated on a first come, first served basis and are limited to two tickets per student. This event will run from 7.00-7.45pm in the centre of the Core block. We will provide a space for students to wait for parents if necessary for the duration of this seminar.

Yours sincerely,

M Browne

Mrs Browne
Assistant Headteacher
